A Wonderful 2012 to all...

We will kick off the year with our GarsB3 function which will be on Saturday 3rd of March at 18h00. PLEASE reserve this date in your diaries. We are planning a lovely evening with music and food.

More info to follow soon...

I found the following wise words by Charles R Swindoll, which I would like to share with you...

"The longer I live, the more I realize the impact of attitude on life. Attitude, to me, is more important than facts. It is more important than the past, the education, the money, than circumstances, than failure, than successes, than what other people think or say or do. It is more important than appearance, giftedness or skill. It will make or break a company... a church... a home. The remarkable thing is we have a choice everyday regarding the attitude we will embrace for that day. We cannot change our past... we cannot change the fact that people will act in a certain way. We cannot change the inevitable. The only thing we can do is play on the one string we have, and that is our attitude. I am convinced that life is 10% what happens to me and 90% of how I react to it. And so it is with you... we are in charge of our Attitudes."

May we once again stand together as GarsB3 Community in 2012, and I sincerely thank ALL who was committed and involved in 2011.

Take care

GRATEFUL FOR FAST REACTION

Neil Swart writes:

I would really wish to extend my thanks to the Gars B 3 community, members of the GG block, ADT Security and SAPS Garsfontein for their swift actions in apprehending the suspect on the 18 January 2012 at approximately 20h30 at my residential premises.

It makes us proud to be part of a team of role players in the fight against crime and in keeping our community safe. The actions of the different parties ensured the apprehension of the suspect and the recovery of the stolen property. The reaction time was extremely quick and effective!

Herewith a list of people we, as a family, would like to thank.

1. Gars B 3 Community:

- Anneke Bodenstein (GB 1) for co-ordinating the "operation" successfully as always!
- Jody Prinsloo (GB 110) for his swift reaction and always coming to the rescue!
- Riaan Malherbe (GB 2) for his swift reaction

2. GG Community

- Martin (GG10) for his swift reaction and assistance!

3. ADT Security

- ADT Radio Control (RC) for their swift reaction in notifying the relevant parties
- A1 – Trueman for a job well done
- A3 – Samson for a job well done
- 2 Armed Reaction Officers (did not get their names) for their swift reaction and assistance

4. SAPS Garsfontein

- Captian Nape for his friendly, professional assistance in the charge office while he took my statement
- Constable Moabelo for his swift reaction and outstanding service
- Student Constable Ralekwatha for his swift reaction and outstanding service

We would appreciate it if you could convey our thanks to them in your relevant forum meetings and if possible ensure their relevant superiors also take note of their outstanding service. Although we commend these wonderful people for apprehending a suspect, it is their dedication and support that we value the most, no matter how small the incident may be!

This proves we have a winning recipe with the right ingredients to make a positive difference."
